# Rosie Stahl

Management & Program Analyst  
Federal Motor Carrier Safety Administration  
(FMCSA)  
Key Cohort DOT AL 12

Rosie Stahl is a Management and Program Analyst at the U.S. Department of Transportation (DOT). In this role, she performs a wide variety of complex analyses and studies evaluating the effectiveness and efficiency of Federal Motor Carrier Safety Administration programs; participates in the development and coordination of the Agency's Strategic Plan and integrated performance budget; participates in the development of performance agreements for key Agency leaders. Stahl previously served as a federal contractor to the DOT and U.S. Department of Defense and U.S. Patent and Trademark Office. She began her career at the 159th Fighter Wing, U.S. Air National Guard, Public Affairs Office.

Stahl holds an M.A. from George Mason University in Strategic Communication and an undergraduate degree in Mass Communication from Loyola University of New Orleans. She is also certified as a Project Management Professional and Change Management Professional.
